Junior High Bootcamp

July 30-August 1

RISING
7TH
GRADERS

Between the summer slide and the jump from 6th to 7th grade, Junior High can be an overwhelming adjustment for our incoming 7th graders. Mrs. Lincicome and Mrs. Morris are offering a 3-day "bootcamp" so students have the opportunity to refresh their math skills, practice note taking, learn organization tips, and work on their writing skills.
